Cricket, a sport that captivates the imagination of billions worldwide, finds its grandest expression in the World Cup. This prestigious tournament, held every four years, brings together the top cricketing nations in a battle for global supremacy. 'Cricket All You Wanted To Know About The World Cup' is the definitive guide to this cricketing extravaganza.

The Genesis of the World Cup

The idea for a cricket World Cup was first conceived in the 1970s. The International Cricket Council (ICC), the governing body for international cricket, wanted to create an event that would showcase the sport on a global scale and attract new fans. The inaugural World Cup was held in England in 1975, with eight teams participating.

Evolution of the World Cup

Over the years, the World Cup has undergone several changes. The number of participating teams has increased, the format has been modified, and technology has played an increasingly significant role. Today, the World Cup is a 10-team event with a round-robin followed by knockout stages. The use of technology, such as the Decision Review System (DRS), has enhanced the fairness and accuracy of the game.

Iconic Moments and Rivalries

The World Cup has provided fans with countless unforgettable moments. From Kapil Dev's heroic innings in 1983 to Sachin Tendulkar's breathtaking knock in 2011, the tournament has witnessed some of the greatest performances in cricket history. The World Cup has also been a stage for fierce rivalries, such as the India-Pakistan clash, which is one of the most anticipated sporting events in the world.

In-Depth Player Profiles

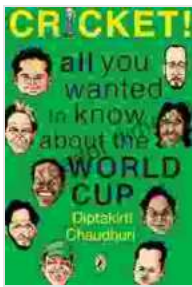

'Cricket All You Wanted To Know About The World Cup' features in-depth profiles of some of the greatest players to have graced the World Cup stage. From legendary all-rounders like Sir Viv Richards and Imran Khan to contemporary superstars like Virat Kohli and Steve Smith, the book provides insights into their remarkable careers, match-winning performances, and contributions to the sport.

Comprehensive Statistics and Records

The book is a treasure trove of statistics and records related to the World Cup. It includes detailed information on all the matches played, the runs scored, the wickets taken, and the teams and players who have made their mark on the tournament's history. This comprehensive data section will appeal to both casual fans and die-hard cricket enthusiasts.

'Cricket All You Wanted To Know About The World Cup' is an essential read for anyone who wants to deepen their understanding and appreciation of this captivating sport. With its engaging narrative, captivating stories, and comprehensive information, this book is the ultimate guide to the greatest showpiece event in cricket.
