

Digging into the Avalanche: Stories of Flagstaff Mountain School

Flagstaff Mountain School is a unique learning environment where students learn through hands-on experience in the outdoors. Founded in 1995, the school is located in Flagstaff, Arizona, and offers a variety of programs for students in grades 9-12. Students at Flagstaff Mountain School learn about the natural world through a variety of activities, including hiking, camping, skiing, and rock climbing. They also learn about the history and culture of the American West, and develop skills in leadership, teamwork, and problem-solving.

In 2019, a group of Flagstaff Mountain School students and faculty were caught in an avalanche while on a backcountry ski trip. The avalanche was triggered by a series of small earthquakes, and it buried the group under several feet of snow. Miraculously, everyone in the group survived, and they were able to dig themselves out of the snow and hike back to safety.

The avalanche was a life-changing experience for the students and faculty involved. It taught them about the power of nature, the importance of teamwork, and the strength of the human spirit. In the aftermath of the avalanche, the students and faculty wrote a book about their experience, entitled *Dig the Avalanche: Stories of Flagstaff Mountain School*.

Review of *Dig the Avalanche*

Dig the Avalanche is a powerful and moving account of the Flagstaff Mountain School avalanche. The book is written in a clear and engaging style, and it is full of vivid descriptions of the avalanche and its aftermath. The students and faculty who wrote the book do an excellent job of conveying the fear, confusion, and determination that they experienced during the avalanche. They also share their insights into the lessons that they learned from the experience.

Dig the Avalanche is more than just a story about an avalanche. It is also a story about the power of education, the importance of community, and the resilience of the human spirit. The book is a testament to the strength of the human spirit, and it is a reminder that even in the face of adversity, we can overcome.

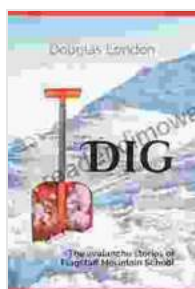

Dig the Avalanche is a powerful and moving account of the Flagstaff Mountain School avalanche. The book is a testament to the strength of the human spirit, and it is a reminder that even in the face of adversity, we can overcome. I highly recommend this book to anyone who is interested in outdoor education, adventure, or the human spirit.

Author Bio

The students and faculty of Flagstaff Mountain School are a diverse group of people who are passionate about outdoor education. They come from all walks of life, and they all have unique stories to tell. The students and faculty who wrote *Dig the Avalanche* are no exception. They are all talented writers, and they have created a book that is both powerful and moving.
