The Forbidden City in Beijing is one of the most iconic landmarks in the world. It was the imperial palace of the Ming and Qing emperors for over 500 years, and it is now a UNESCO World Heritage Site. The Forbidden City is a vast complex of palaces, temples, and gardens, and it is a must-see for any visitor to Beijing.

This travel guide will provide you with everything you need to know to plan your visit to the Forbidden City. We will cover the history, architecture, and highlights of the Forbidden City, as well as provide practical tips for visiting. We also offer a local guide tour that will give you a deeper understanding of the Forbidden City and its history.

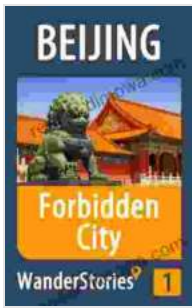

History of the Forbidden City

The Forbidden City was built in the early 15th century by the Ming emperor Yongle. It was the largest and most elaborate palace complex in the world at the time, and it served as the center of the Chinese government for over 500 years.

The Forbidden City was closed to the public for most of its history. Only the emperor, his family, and his court were allowed to enter. However, in 1925, the Forbidden City was opened to the public, and it is now one of the most popular tourist attractions in Beijing.

Architecture of the Forbidden City

The Forbidden City is a masterpiece of Chinese architecture. It is a vast complex of palaces,
