The book, written by sports journalist and author Steve Bunce, tells the stories of 10 former professional athletes who have successfully transitioned into the business world. These individuals include:

- **David Beckham**, former soccer player who is now a successful businessman and brand ambassador

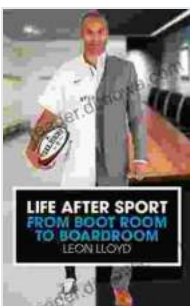

- **Michael Johnson**, former track and field athlete who is now a successful businessman and motivational speaker
- **Alan Shearer**, former soccer player who is now a successful businessman and television pundit
- **Gary Neville**, former soccer player who is now a successful businessman and television pundit
- **Alex Scott**, former soccer player who is now a successful businesswoman and television pundit
- **Rio Ferdinand**, former soccer player who is now a successful businessman and television pundit
- **Didier Drogba**, former soccer player who is now a successful businessman and philanthropist
- **Thierry Henry**, former soccer player who is now a successful businessman and television pundit
- **Cristiano Ronaldo**, former soccer player who is now a successful businessman and brand ambassador
- **Lionel Messi**, former soccer player who is now a successful businessman and brand ambassador

These individuals have all faced their own unique challenges in transitioning from the playing field to the business world. But they have all persevered and achieved success in their new careers. Their stories are an inspiration to anyone who is considering a career change, and they offer valuable insights into the skills that are necessary for success in the business world.

In *Life After Sport*, Steve Bunce provides a fascinating and inspiring look at the lives of these former professional athletes. He tells their stories with humor, insight, and compassion, and he offers valuable lessons for anyone who is considering a career change.
