John is not a professional climber. He's a regular guy who decided to take on the challenge of climbing the world's highest peaks. And if he can do it, so can you.

In this book, John will tell you everything you need to know about climbing these five mountains, including:

- The best time of year to climb
- The best route to take
- The gear you'll need
- The training you'll need
- The costs involved

John will also share his personal experiences and tips on how to stay safe and have fun while climbing these amazing mountains.

If you're a regular guy who dreams of climbing the world's tallest mountains, then this is the book for you. John will show you that it is possible to achieve your dreams, no matter how crazy they may seem.
