Montgomery County is home to a diverse range of fishing opportunities. The Verdigris River, which flows through the heart of the county, is

renowned for its catfish, bass, crappie, and walleye fishing. Other popular fishing spots include the Elk River, Caney River, and Fall River. Anglers can also enjoy fishing in the county's numerous lakes and ponds.

For fly fishing enthusiasts, the Verdigris River offers excellent opportunities for catching rainbow trout, brown trout, and smallmouth bass. The river's clear waters and abundant insect life make it a perfect location for fly fishing.

## **Floating in Montgomery County**

Floating the Verdigris River is a popular activity for outdoor enthusiasts. The river offers a variety of float trips, ranging from short, family-friendly floats to longer, multi-day trips. Float trips can be customized to meet the needs of any group or individual.

Kayaking, canoeing, and tubing are popular ways to experience the Verdigris River. The river's gentle current and clear waters make it a great option for beginners. However, there are also some more challenging stretches of the river that are suitable for experienced paddlers.

## **Fishing and Floating Regulations**

It is important to be aware of the fishing and floating regulations in Montgomery County before heading out on your adventure. A valid Kansas fishing license is required to fish in the county's waters. Fishing regulations, including season dates and bag limits, vary depending on the species of fish being targeted.

Floating on the Verdigris River is also subject to certain regulations. Float trips must be registered with the Montgomery County Sheriff's Office at least 24 hours in advance. Float trips are also not permitted during high water events.

## **Local Amenities**

Montgomery County offers a variety of amenities for anglers and outdoor enthusiasts. There are several campgrounds, RV parks, and cabins located throughout the county. There are also a number of bait and tackle shops, as well as restaurants and other businesses that cater to the needs of visitors.

## **Planning Your Trip**

When planning your fishing or floating trip to Montgomery County, there are a few things to consider. The best time to fish in the county is during the spring and fall, when the weather is mild and the fish are most active. However, fishing can be enjoyed year-round in Montgomery County.

If you are planning to float the Verdigris River, it is important to check the river's water levels before heading out. The river's water levels can change quickly, so it is important to be aware of the conditions before getting on the water.

Whether you are an experienced angler or a first-time kayaker, Montgomery County, Kansas, has something to offer everyone. With its abundance of fishing and floating opportunities, as well as its beautiful scenery, Montgomery County is the perfect destination for an unforgettable outdoor adventure.

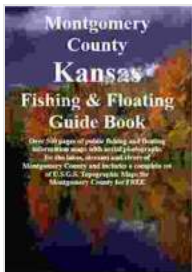

This guide provides you with all the essential information you need to plan your next fishing or floating trip to Montgomery County, Kansas. From fishing regulations to local amenities, this guide has everything you need to make your trip a success.
