The book is divided into four chapters, each of which focuses on a different aspect of Warwick's history. The first chapter, "The Early Years," explores the city's founding and its role in the Revolutionary War. The second chapter, "The Industrial Revolution," examines Warwick's transformation from a rural community to a major industrial center. The third chapter, "The

Gilded Age," focuses on the city's growth and prosperity in the late 19th and early 20th centuries. The fourth chapter, "The Modern Era," explores Warwick's development in the post-World War II era.

Amato's photographs are not only beautiful, but they are also historically significant. They provide a unique glimpse into Warwick's past, and they help readers to understand the city's evolution over time.

Warwick: Images of America is a valuable addition to the literature on Rhode Island history. It is a beautiful book that is sure to be enjoyed by anyone interested in the history of Warwick or Rhode Island.

### **About the Author**

Donald Amato is a lifelong resident of Warwick, Rhode Island. He is a retired teacher and historian, and he has written extensively about the history of his hometown. Amato is a member of the Warwick Historical Society, and he has served as the society's president.
